

Privacy Policy

Effective Date: August 6, 2026

Last Updated: August 6, 2026

This Privacy Policy describes how **Quantum Reality Programming LLC** (“we,” “us,” or “our”) handles information in connection with the Android mobile application **Home Maintenance Tracker Android App** (the “App”).

1. No Data Collection

We do **not** collect, store, transmit, or process any personal or sensitive user data.

The App does not:

- Collect names, email addresses, phone numbers, or any other personal identifiers
- Collect location data
- Collect device identifiers, advertising IDs, or analytics data
- Access contacts, photos, files, or other personal content on your device (beyond what is strictly required for the App’s core functionality and only while the App is in use)
- Use any form of tracking, analytics, or third-party SDKs that gather user information

Any permissions the App may request (such as storage, camera, or internet access) are used solely for the App’s immediate functionality and are not used to collect or transmit data.

2. No Data Sharing

We do **not** share any user data with third parties because we do not collect any user data.

There are:

- No advertising partners
- No analytics providers
- No cloud storage or backend services that receive user information
- No data sales or transfers of any kind

3. Children’s Privacy

The App does not knowingly collect any information from anyone, including children under the age of 13. Because no data is collected, the App is in compliance with the Children’s Online Privacy Protection Act (COPPA) and similar regulations.

4. Security

Since the App does not collect or store any personal data, there is no user data at risk of unauthorized access, loss, or disclosure.

5. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated “Last Updated” date. Continued use of the App after changes constitutes acceptance of the revised policy.
